

Paper code: - *BPY-404P*

Annual Examination 2022
B. Pharm 4th Year
Medicinal Chemistry-II

Time: 3Hrs

Max. Marks-80

(A) Synopsis

20

- Write a detail note on partitioned coefficient
- Write SAR and use of carbachol drug
- Write a note on muscle relaxants
- Discuss the synthetic pathway of any one drug
- Give the classification of NSAIDS

(B) Experiments

(25+15)

- To prepare and submit acetyl salicylic acid from salicylic acid
- To prepare and submit benzoic acid from benzyl chloride

(C) Viva-voce and Practical records

20
