

Paper code: - *DPY-204P*

Annual Examination 2022
D. Pharm IIInd Year
Pharmaceutics Chemistry-II

Paper code: - *DPY-204P*

Annual Examination 2022
D. Pharm IIInd Year
Pharmaceutics Chemistry-II

Time: 3Hrs

Max. Marks-80

(A) Synopsis

20

Give the chemical proportion & uses of:

- Cetrimide
- Salbutamol
- Metronidazole
- Co-triamoxazole
- * Daps one
- * Propranolol
- * Chloroquine
- * Mannitol

(B) Experiments

(25+15)

- To carry out identification test for given sample
- To detect the functional group in given organic compound

(C) Viva-vove and Practical records
