TRAINING AND PLACEMENT CELL

The Training and Placement Cell of the institute handles all aspects of placements at OPJS for the students of all departments. It is a student body, directly under the supervision of the honorable Registrar, headed by the Training and Placement Officer and guided by the Faculty Advisors. The Cell stands for branding the outlook of the university to the corporate and the industry.

- The members of training and placement cell will be devoting their time and energy in shaping the future of the students through innovative ways and means.
- The cell desires to get associated with reputed organizations and intends to invite them or their corporate leaders to organize campus placement campus in the University. Thus the members actively interact with the professionals in corporate to invite them for campus recruitments.
- By collaborating and associating with some of the established organizations and companies, OPJS University ensures the bright future of their students. The officials in our placement cell will assist our students for meeting up a diversified pool of requirements; thus converting their placements into success.
- We will assist students in appearing for placements outside campus too. With a noble and dedicated intention to prepare our students for future, we will leave no stone unturned in transforming them into true leaders for tomorrow.
